Make better interactions with AI

By Dilum De Silva

IMPORTANT STEPS

Interact

Start brainstorming with AI

Start conversation as you would start it with a friend, colleague or startup-partner

Interact

Provide specifics

Tell AI what you know, use specific technical terms or add domain specific details.

Say Please

Politeness

Interact politely as you would do with anyone else.

Interact

Iterate

While giving feedback repeat the previous steps.

I'd like to ideate on the design of an application

I'd like to generate a PRD at the end of the process

I'd like to turn this PRD into a TODO list

Go home and work on
your dream app now...

Thank You
